PRESS RELEASE

Type and Description of Incident / Fire:

The Derry Fire Communications Center received a single 911 call at 10:05 hours from a resident reporting smoke coming from the windows of 8B Whittemore Dr

Derry Car 1, Engines 1, 2, 3, Truck 4 and Medic 1 were dispatched to the above address. All Derry companies were in service and available to respond.

On arrival companies found a moderate amount of smoke pushing from a second floor window of a two family dwelling (duplex) First arriving Engine Company forced entry, advanced an attack line and made an aggressive attack on a fast spreading room and contents fire located on the first floor in the right side unit.

Additional Derry companies assisted with command and control, search, ventilation, water supply, and the placement of a backup line.

It was reported by a resident that there were no occupants or pets in the structure. A primary and secondary search by fire personnel confirmed this report.

Damage To Property:

There was a significant amount of charring and soot staining throughout the first floor with a moderate amount of water damage. The basement sustained minor water damage and the second floor sustained light to moderate smoke damage.

Injuries To Fire and Non-Fire Personnel:
There were no civilian or fire service personnel injuries.
