The Derry Police Department is requesting bids to obtain one 2017 Ford Police Interceptor Sedan Vehicle for Police service that must meet the criteria listed below. Bidders should submit three proposals, one for vehicle pricing, one to include trade in value on a 2009 Ford Crown Victoria Police Interceptor currently owned by the Derry Police Department (see below), and one for the equipment (see list below) to include installation in new vehicle. The cost of the installation of the equipment shall be listed separately from the cost of the equipment. The bid will be awarded to the most responsive performing low bidder unless supporting information presented recommends another bid. The Town of Derry may reject any or all of the bids on any basis and without disclosure of a reason as in compliance with Administrative Regulation #15 governing purchasing.

The vehicle must meet the following specifications and include the installed listed equipment as noted below (no substitutions are permitted):

1 – 2017 Ford Police Interceptor Sedan
