Attendees: Maureen Reno, Cindy Peaslee, Tom Cardon, Anthony Marciano

- Not enough members to accept minutes:
 - o May 16, 2016
 - o June 20, 2016

Chairman's Report:

- Status of town energy projects (LED Streetlight Project, Solar on Landfill Project)
 - o Solar on Landfill
 - Mike Fowler is still not having luck with developers
 - Concord has 2MW project with another one in the pipeline
 - Lee has a 1MW project
 - Maureen - Motion to recommend to the Director of Public Works that we restart the RFP process for the solar on landfill project to select a new vendor unless Ameresco commits within one week. Second by Tom. All in favor - unanimous.
 - Maureen to send e-mail
 - o LED Streetlight Project
 - First bill received for May 2016
 - 64% reduction to usage (to 20,428 kWh)
 - 50% total cost reduction (\$5,877)

New Business:

- Derryfest Application due August 19, 2016
 - o Tom to send reminder to Chris
 - o Looking for volunteers at next meeting and also discuss supplies needed
- Button-Up / Energy Savings for the Home Workshop
 - o Plymouth area renewable energy initiative (Robin Adams). They have received funding for events. List of available dates for 12 communities they will be working with (including Derry)
 - o Need to select a date
 - looking at October 25, 26, 27
 - o Need to select a venue
 - Marion Gerrish
 - Library - may want to start at 6- 6:30 since location only available until 8

Old Business:

- Net Zero Task Force Update
 - Basic Power pilot to reduce power consumption by 11% with on-site installation of energy reduction unit at Municipal Building
 - DPW reviewed product and agreed to pilot installation
 - Schools are still in process of entering an agreement with Honeywell
 - Derry School systems are looking at 4 different project options
 - 90% of Pinkerton buildings are on one electrical meter. Need to look into submetering. Task Force will be working with school electrician to see if there are any other plans with infrastructure.
 - Anthony or Jeff Boulton to attend board meeting to help Brewster Bartlett present in the fall.

Correspondence: None

Member Requests / Open discussion:

Marissa Serafina from Senator Shaheen's office requesting information when we hold events like Jr. Solar Sprint or others so they can help promote. Senator Shaheen would like to attend if possible.

Motion to adjourn at 8:00 PM by Maureen, and second by Tom.

Next Meeting: August 15th, 7:00 PM, Room 207, DMC
