Section 101 - General Provisions

101.1. The purpose of this Act is to provide for the orderly and efficient administration of the public lands of the State of California.

101.2. The State shall manage the public lands in a manner that is consistent with the public interest and the best interests of the people of the State.

101.3. The State shall manage the public lands in a manner that is consistent with the public interest and the best interests of the people of the State.

Section 102 - Definitions

102.1. "Public lands" means all lands owned by the State of California, whether or not they are currently being used for public purposes.

102.2. "Management plan" means a plan that sets forth the State's policy and objectives for the management of public lands.

Section 103 - Management Plans

103.1. The State shall develop and adopt a management plan for each area of public lands.

103.2. The management plan shall be subject to the approval of the State Board of Land Commissioners.

103.3. The management plan shall be subject to the approval of the State Board of Land Commissioners.

103.4. The management plan shall be subject to the approval of the State Board of Land Commissioners.

Section 104 - Public Lands Trust

104.1. The State shall establish a public lands trust to hold and manage the public lands of the State.

Section 105 - Public Lands Commission

105.1. The State shall establish a public lands commission to advise the State Board of Land Commissioners on matters relating to the management of public lands.

105.2. The public lands commission shall be composed of representatives of the State Board of Land Commissioners, the State Board of Education, and the State Board of Control.

105.3. The public lands commission shall be subject to the approval of the State Board of Land Commissioners.
