

DEPARTMENT OF PUBLIC WORKS
Michael Fowler, P.E., Director

N14-101

NOTICE

TO: South Range School Parents & Employees
FROM: Michael A. Fowler, P.E., Director of Public Works
DATE: May 9, 2014
SUBJECT: Rockingham Road Construction – July 2014 – October 2014

In conjunction with the School Superintendent's Office, this construction notice is being distributed in advance of the 2014-2015 school year.

Construction work is scheduled to begin in July 2014 to install water, sewer and drainage utilities on Rockingham Road. The work will impact a section of Rockingham Road between Winter Hill Road and Webster's Corner (Bypass 28/Route 28/Island Pond Road intersection) through October 2014.

The Town of Derry Public Works Department, the School Department and First Student are committed to work collectively to minimize disruption to students, parents and school employees during the construction period.

Rockingham Road between Winter Hill Road and Webster's Corner will be open to traffic throughout the duration of this phase of the project. A work zone each day will be established to allow one lane of alternating traffic between 7am and 5pm Monday – Friday. Motorists should expect some minor delays during these hours.

School traffic approaching from the west (Shute's Corner) and Bradford Street will not be impacted.

In addition, the project will include utility installation in the following areas:

Route 28 Bypass between Island Pond Road and Humphrey Road May 2014 - August 2014
Route 28 between Island Pond Road and Berry Road July 2014 – November 2014

Construction in these areas will be primarily within the shoulder and two-lane traffic will be maintained for the majority of time.

The Town of Derry Public Works Department maintains a website containing weekly updates on the project. Individuals may subscribe to receive weekly updates at <http://www.derrynh.org/subscribe> (Public Works News).

Please contact the Department of Public Works office at 432-6144 if there are any questions or concerns. We appreciate your cooperation and patience for this upcoming project.
