

## New Transfer Station Guidelines

As of January 5<sup>th</sup>, 2016, Derry residents will be utilizing the new Transfer Station for most household waste items. With the new station will come new regulations on segregating materials at drop-off.

When bringing trash and recyclables, the new categories are:

- Household Trash
- Cardboard
  - Corrugated Cardboard Boxes
- Mixed Paper
  - Junk mail, newspaper, magazines
- #1 Plastics – PETE
  - Soft drink, water bottles, mouthwash bottles, peanut butter
- #2 Plastics – HDPE
  - Milk jugs, detergents, shampoo, cereal box liners
- Steel/Tin Cans
  - Food Packaging
- Aluminum Cans
  - Soft drinks, beer cans
- #3-#7 Plastics
  - All other plastics including plastic cups, yogurt containers, salad dressing bottles
- Glass
  - Bottles, Jars (This does NOT include light bulbs)

Each category will have its own disposal bay at the Transfer Station. These bays are marked accordingly.

Fees will still be imposed on the following:

- Construction and Demolition Debris
- Computers and Television Monitors
- Air Conditioners
- Tires
- Bulky Furniture including Couches and Mattresses

The following materials will still be accepted without fees:

- Metals
- Yard Waste
- Brush – No Contractors
- Propane Tanks
- Batteries
- Waste Oil
- Fluorescent Light Bulbs

For questions or concerns, please call Derry Transfer Station at 603-432-4650 between Tuesday and Saturday, 7:30Am to 3:30PM.
