

# INSTRUCTIONS FOR VETERANS' CREDIT WORKSHEET

## RSA 72:28

- Enter **Veteran's full name** including middle initial and suffix (i.e. SR., JR).
- The credit is applied to the Veteran's **principal place of abode** and the Veteran, if married, does not have to be referenced as an owner on the deed. However, the Veteran's spouse must be an owner as specified on the deed and the spouse may apply for the credit on behalf of the Veteran.
- Applicant must have been a **NH resident for at least one year** prior to April 1 of the tax year of application.
- Enter **dates of service** on form PA-29 and check the appropriate box on the Veterans' Worksheet. To qualify Veteran must serve at least 90 days in any qualifying war or armed conflict.
- Provide a copy of discharge papers (i.e. DD214). Form must show the type of discharge (applicant must have an **honorable discharge** or if an officer an honorable separation from service. Anything less does not qualify an applicant. A discharge of "Under Honorable Conditions" is not a qualifying discharge) and must show dates of service. The 90 days of service are considered satisfied when an applicant applies during the following dates:

**WWII** - December 7, 1941 to October 3, 1946 (War ended on December 31, 1946, but entering service on October 4, 1946 would yield only 89 days, not the required 90 days).

**Korea** - June 25, 1950 to November 3, 1954 (War actually ended on January 31, 1955, but entering service on November 4, 1954 would yield only 89 days, not the required 90 days).

**Viet Nam** - December 22, 1961 to February 7, 1975 (War ended on May 7, 1975, but entering service on February 8, 1975 would yield only 89 days, not the required 90 days).

**Viet Nam** - July 1, 1958 to September 1, 1961 (**This period requires 90 days service AND a qualifying medal.**)

**Gulf War** - August 2, 1990 and the date thereafter prescribed by Presidential proclamation or by law.

**Any other war or armed conflict** that has occurred since May 8, 1975, and in which the resident earned an armed forces expeditionary medal or theater of operations service medal.

- Check off the appropriate **qualifying medals** an applicant has received. Qualifying medals are only required during the following periods of time:

August 15, 1918 to December 6, 1941

October 4, 1946 to June 25, 1950

November 4, 1954 to December 21, 1961

February 8, 1975 to August 1, 1990

- If applying for the Totally and Permanently Disabled Veteran Credit, please submit documentation from the Veteran's Administration which classifies you specifically as Totally and Permanently Disabled. Evaluation ratings of 100% do not necessarily qualify as totally and permanently disabled.
