Removals for Other Reasons

The Supervisors of the Checklist received official notification through the statewide voter registration database and official voter cancellations from election officials in other states that the voters in List C are no longer eligible to vote in Derry. Supervisor Dombroski motioned to strike the names of these voters from the checklist for the reasons provided on **List C: Voters Removed for Other Reasons**. Motion carried 3 – 0. The legend for the removal codes appears below the list of voters.

Other Business

Supervisors discussed preparation for the town and school district elections.

Chair Strakalaitis discussed the new statewide voter registration database. She was invited by the SOS Elections Director to test the new system in January; she was excited to be the first election official in the state to see it in action and recommend improvements. Supervisor Dombroski and Chair Strakalaitis plan to assist SOS with that ongoing work once the presidential primary reconciliation is completed. The Elections Director reports the new system will go live in April.

Chair Strakalaitis noted that HB1569, if passed, will eliminate affidavits used in registration. Two-thirds of Derry voters registering ahead of time and at the polls utilize affidavits to establish their qualifications.

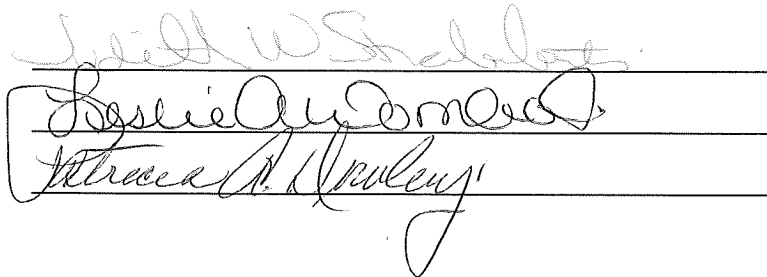

Certification

These are true and accurate minutes of the meeting of the Supervisors of the Checklist.
