Councilor Comments

Chair Pro Tem Morgan – Acknowledged the presence of the Boy Scouts troop with their Scout Masters. They are attending tonight's meeting to earn their Citizenship and Community Badge. There is a lack of volunteers on Boards and Committees. Believes the school is asking for big numbers with their budget.

Councilor Chirichiello – Appreciates the Boy Scouts attending the meeting. It is important to come vote on Tuesday, it affects taxes in December.

Brian Selling (Troop Master) was called up to speak. He stated that the Boy Scouts are working on their merit badge and that they need 13 badges for Eagle.

Councilor Katsakiores – Thinks that it is great that the Boy Scouts attended tonight's meeting.

Councilor Tripp – Recommends that the Boy Scout's come back to the next meeting to see the council with more on the agenda. The Economic Development Advisory Committee has started conducting most of their business via sub-committees and will be meeting every other month. Anyone interested in running for Town office in the future or applying to a Board or Committee should see the Town Clerk.
