The Derry Police Department is requesting bids to obtain ten 2020 Police Interceptor Utility Vehicles for Police service that must meet the criteria listed below. Bidders should submit two proposals, one for vehicle pricing to include delivery of the vehicles to the after-market equipment outfitter and one for trade-in values on 1 Ford Expedition SSV (Special Service Vehicle) and 8 Ford Police Interceptor Utilities currently owned by the Derry Police Department (see attached list). The bid will be awarded to the most responsive performing low bidder unless supporting information presented recommends another bid. The Town of Derry may reject any or all the bids on any basis and without disclosure of a reason as in compliance with Administrative Regulation #15 governing purchasing.

The vehicles must meet the following specifications and include the optional equipment as noted below (no substitutions are permitted).
