Advisory Committee

October 17, 2016 Meeting Minutes

Call to Order 7:03 - Maureen Reno

Attendees: Maureen Reno, Marc Flattes, Joshua Bourdon, Cindy Peaslee, Marius Zainea, Tom Cardon

Consent Agenda 7:05

- Motion to accept 9/26/2016 minutes by Marc Flattes, Second by Tom Cardon, All prior attendees in favor.

Chairman's Report 7:08 - Group discussion

Status of Town energy projects

- Town is working on FY18 budget, nothing planned yet.
- Josh spoke about NetZero updates, many are Pinkerton related.
- May be good timing to talk with Mike Fowler and start conversations about potential projects. Maureen to reach out to Mike.
- Solar on Landfill projected on back burner due to Ameresco backing out; smaller projects might be options instead. Town may miss timing for SolarUp project; Marc is working with vendor for possible extension.

Thank you Town Clean Up volunteers

- Maureen Reno, Cindy Peaslee, Chris Cox.

New Business 7:44 - Marc Flattes

Solar Up Launch Event

- First public event 10/19/2016 7:00-9:00 pm at Hood Middle School Gymnasium.
- Owner of NuWatt will be there and an introductory offer for the first five people who sign up at the event.
- Unsure of potential number of attendees, same date as the final Presidential debate.
- Second open public event is currently being planned for November.

Old Business 8:00

Hood Middle School Education Program

- Cool Schools program is starting to get some traction
- NuWatt speaking with 45 Hood School students on solar economics, engineering and other information. Fran to work with students and will go back in for a follow up meeting after. Student will design an actual system from the ground up.
- Plans to run a second program for another 45 students when complete.
- No current needs from DEEAC. Possibly some proof-reading assistance.

Derry Public Library Solar Program

- Suggest to table for time being. We have not heard anything from them, Marc to follow up.

Button-Up / Energy Savings for the Home Workshop

DERRY
Energy & Environmental
