For immediate release:

2nd Alarm Fire 24 Crescent St. Derry, NH

On November 11th at approximately 6:56 PM the Derry Fire Communications Center received a call reporting a stove top fire at 24 Crescent St.

Derry Engines 1, 3, 2, Ladder 4, Medic 1 and Car 1 were simultaneously dispatched. Engine 1 arrived on scene and reported heavy fire from the third floor. Car 1 arrived simultaneously and ordered a 2nd Alarm.

The 2nd Alarm included the Working Fire Assignment and brought a Londonderry Engine, Londonderry Ladder, Windham Engine, Hudson Engine and Ambulance, Manchester Engine and Ladder, Chester Engine, Auburn Engine and Rescue, and Salem Engine to the scene.

First arriving crews found heavy fire on the 3rd floor and advanced handlines in an aggressive interior attack directly to the seat of the fire.

No injuries to firefighters or civilians were reported.

The Derry Fire Investigation Bureau responded and is investigating the cause of the fire. Several apartments were uninhabitable after the fire.

The Derry Fire Department was assisted on scene by the Derry Police Department, the Derry CERT (Community Emergency Response Team) and Eversource.
