## New Business:

John O'Conner gave the legislative update. Numerous legislative bills are on hold and waiting for a possible Legislative meeting in September.

The Draft Renewable Energy Ordinance presented by Mary Till and Craig Lazinsky will go George Sioras and then to the next Planning Board meeting.

Craig Cunningham continues to work on the EPA Tool and is working to update the interface with Eversource.

Craig Lazinsky gave an update on Community Power program. Tom Cardon, Craig Lazinsky and Mike Fodiman will be the contacts for CPNH. It was suggested that we form a formal committee to move forward on Community Power.

We discussed possible locations for solar projects on town buildings.

Jeff discussed a possible RFP for LMI (low, middle income) for community power.

## **Other Business:**

Mike Fodiman discussed presentation given by Clean Tap from our June meeting and suggested that we pursue leasing the town landfill for a large solar array.

Brewster Bartlett talked about his home heat pump and large savings in energy.

John Erickson suggested using heat pumps in our town building projects.

Mike Fodiman will work on solar needs for town buildings.

Motion to adjourn made by Mary Till and seconded by Brewster Bartlett. Motion passed 8-0.
