Members Present: Tom Cardon, Chris Cox, Jeff Moulton, David Clapp, Mike Fodiman. Cairnie Pokorney, School Board member.

Consent Agenda:

Motion to approve minutes made by Tom and seconded by Jeff. Motion passed 5-0.

New Business:

Jeff gave the legislative update including bills that the Governor has signed. These bills included EV infrastructure, preserving residential weatherization, statutory grid modernization and the Department of Energy taking over Community Power Aggregation plans from the PUC.

Jeff gave an update on Community Power. The second and final public input meeting was held on August 17th. The EAC will be meeting on August 22, at 2:00 pm.

Jeff discussed the Solar Landfill project which will be breaking ground in spring of 2024. Department of Energy Grant for \$500,000 is still on track with Mike Fowler providing additional information.

Chris and Jeff discussed the modeling tool they will be using for town employee's EV demonstration. They have been closely following the performance of their Tesla and Ford vehicles for the past year to get actual data for their presentation.

Jeff discussed implementation, planning and support for EVCS. Pinkerton asked Jeff to be included in the CMAQ grant for EVCS.

Other Business:
