

A G E N D A
VIRTUAL and IN PERSON MEETING

CALL TO ORDER

It is possible, in light of the COVID-19 pandemic situation and the state of emergency declaration in New Hampshire, that most or all Board members will be unable to attend our Derry public meetings in person because they are concerned about getting sick, or perhaps are already sick. Governor Sununu has issued Emergency Order #16, which waives the requirement that a quorum be physically present in the meeting room. A meeting of a public body may be conducted with all or most of the members participating electronically.

To maintain the Governor's Directive that no more than 10 people shall gather, the public is not allowed into the meeting room. There is a contact number on the DerryCAM screen with a phone number where members of the public can listen in and participate in the Public Hearing portions of the meeting. This access number was also posted along with the agenda and posted on the exterior doors of the Municipal Center. Please note that due to the physical absence of some members, all votes taken shall be done by roll call.
