PURPOSE

The purpose of this document is to seek Council approval to purchase 6.5 Meadowbrook Road in support of the Council’s approval of Resolution #2021-036 to sell 23 Adams Pond Road.

TOWN ADMINISTRATOR COMMENTS:

The Town Council is encouraged to support this Resolution to maximize the return to the Town on the sale of 23 Adams Pond Road. Pursuant to state statutes, two public hearings are required prior voting on Resolution #2023-021. The Council is further encouraged to act upon Resolution #2023-020 at the March 7, 2023 meeting.

BACKGROUND

In 1990, in accordance with the Derry Water System Master Plan, the Town (Water Dept.) purchased the Meadowbrook and the Woodlands community water systems for \$100,000 and \$24,000, respectively. These were neighborhood water systems, operated by the Town, which serviced approximately 60 homes each with water supplied from shared bedrock wells. Each water system included a parcel of land which sited the pump house and the wells.

In 2011 and 2017, respectively, the Meadowbrook and Woodlands Community Water Systems were interconnected to the Derry core water system due to water quality issues. The wells and pump houses that supplied these systems with water are no longer in operation. The Water Dept no longer has need to retain the well lots. The Town previously sold the 5 Lester Lane property for \$134,900.00.

23 Adams Pond lot does not have frontage on a Town approved road and had an easement for driveway access onto Meadowbrook Road which was extinguished upon abandonment of the lot as a water asset.

DISCUSSION

23 Adams Pond Road is a three-acre lot which is landlocked. To maximize the property’s resale, access to the lot from a town road must be secured. The realtor assigned to sell the lot has identified 6.5 Meadowbrook Road as an opportunity to secure that access. This 9.5-acre parcel is vacant and mostly lowlands with a pond, however there is an opportunity for access via a wetlands permit from NHDES. Any prospective purchaser would be required to secure all necessary permits for development.

FISCAL IMPACT

The acquisition of 6.5 Meadowbrook would cost \$20,000; it is believed that combining this lot with 23 Adams Pond Road will maximize the return on the property. Adequate funds are available in the Water Division budget to complete this purchase.

RECOMMENDED ACTION BY COUNCIL

The Council is asked to approve the purchase of 6.5 Meadowbrook Lane under a multi-step process:

Approve Resolution #2023-020 at the March 7, 2023 Council meeting which authorizes the Town Administrator to sign the Purchase and Sales Agreement for the property.

Include Resolution #2023-021 on the March 7, 2023 Consent Agenda as a public hearing notice. As required by RSA 41:14-a, two public hearings are required followed by Council action no less than seven days after the last public hearing. Accordingly, the following schedule is presented:

| March 7, 2023 | Consent Agenda |
