

# Supervisors of the Checklist Session

The Supervisors of the Checklist will meet in session at the Derry Municipal Center to accept voter registration applications and approve pending applications and changes to the checklist on:

Tuesday, May23rd, 2023  
from 6 - 6:30PM  
at the Derry Municipal Center

## Voter Registration Options

Residents have 3 options to register to vote or update an existing registration:

- apply with the Town Clerk on weekdays from 8AM – 4PM
- register with the Supervisors of the Checklist at a session; or
- register at the polling place at an election.

## Voter Information Lookup Tool

Registered voters can view their registration (name, address, and party affiliation) online using the Secretary of State's Voter Information Lookup tool: [app.sos.nh.gov/voterinformation](http://app.sos.nh.gov/voterinformation)

When an election is coming up, registered voters can find the location and hours of their polling place, view sample ballots, or track their absentee ballots using the Voter Information Lookup tool.

## View the Voter Checklist

Copies of the voter checklist are posted with the Town Clerk, in the lobby of the Derry Municipal Center, and at the Reference Desk at the Derry Public Library.

## Supervisors of the Checklist
