

Supervisors of the Checklist Session

The Supervisors of the Checklist will meet in session at the Derry Municipal Center to accept voter registration applications and consider additions, removals, and changes to the voter checklist on:

Thursday, November 16, 2023 from 1 – 1:30PM

Voter Registration Options

Residents have 3 options to register to vote:

- apply with the Town Clerk on weekdays from 7AM – 4PM (until 7 – 10 days before an election)
- register with the Supervisors of the Checklist at a session; or
- register at the polls on election days.

Address and Name Changes

Registered voters can update their name or address on the checklist with the Town Clerk during office hours (until 7 – 10 days before an election), with the Supervisors of the Checklist at a session, or at the polls on election day. *Please note:* party affiliation can no longer be changed for the 2024 presidential primary.

Voter Information Lookup Tool

Registered voters can view their registration (name, address, and party affiliation) online using the Secretary of State's Voter Information Lookup Tool: <https://app.sos.nh.gov/voterinformation>

Before an election, registered voters can also find the location and hours of their polling place, view sample ballots, or track their absentee ballots using the SOS Voter Information Lookup tool.

Viewing the Voter Checklist

Copies of the voter checklist are posted with the Town Clerk, in the lobby of the Derry Municipal Center, and at the Reference Desk at the Derry Public Library.

Role of Party Affiliation in a Primary

Voters affiliated with a party can vote in their party's primary. Undeclared voters can vote in a primary by declaring an affiliation when checking in with a ballot clerk at the polls.

2024 Presidential Primary

The Secretary of State will set the date for New Hampshire's First-in-the-Nation Primary soon.

Supervisors of the Checklist

Judith W. Strakalaitis, Chair

Patricia A. Dowling

Leslie A. Dombroski
