Solar Up Derry

Solar Makes Sense.

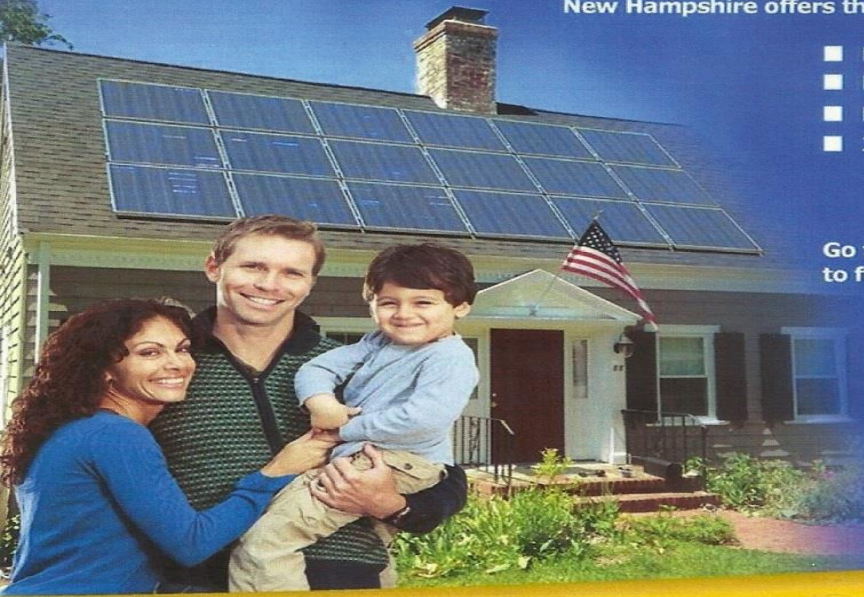

Now is the time to go solar.

Solar power puts you in charge of your energy. With great financing and state of the art technology, you can take control of your utility bills.

Save money by taking advantage of this unique solar buying opportunity that makes solar easy and affordable. Solar Up New Hampshire offers these important benefits for residents:

- Protect against rising energy costs
- Pre-screened solar installer you can trust
- Flexible financing options
- 30% Federal Tax Credit

Go to www.SolarUpNH.com to find out if your home is good for solar.
