

HOUSEHOLD HAZARDOUS WASTE COLLECTION DAY

Fall Collection – Londonderry

Nelson Fields (LAFA)
Off Sargent Road
(Behind the Central Fire Station)

Saturday, November 13, 2021

8:30 AM – 12:30 PM

Covid-19 restrictions may be in place.

DO NOT THROW AWAY TOXIC PRODUCTS!

In the trash they cause fires. In the landfill they contaminate soil and groundwater

DO BRING TOXICS SUCH AS:

From the Yard

- fertilizers with pesticides
- fungicide
- insect spray
- lighter fluid
- pest strips/traps
- pesticides
- poisons
- pool chemicals

From the Garage

- acids
- antifreeze
- car waxes/polish
- creosote
- driveway sealer
- flea powder
- gasoline
- radiator flush
- roofing tar

From the house

- bathroom Cleaner
- disinfectants
- furniture polish
- metal polish
- mothballs
- oven cleaner
- photo chemicals
- rug cleaner
- thermometers

From the Workbench

- brush Cleaner
- corrosives
- oil-based paint/stain
- rust preventative
- solvents
- thinner/turpentine
- wood preservatives
- wood stripper

DO NOT BRING:

- No batteries
- No latex paints
- No explosives
- No radioactive
- No infectious wastes
- No asbestos

Helpful Tips on Dealing with Toxic Products:

- Follow and use the safety instructions on the label
- Give leftovers to friends and neighbors
- Keep the product in its original container and intact
- **Do not mix** toxic products!
- Use in a well-ventilated area
- Keep flammables away from heat, sparks, and flames
