IMPORTANT NOTICE TO WATER CUSTOMERS

TO: Municipal Water Customers at PEARL ST, FRANKLIN ST (Residents between #10 & #19), #8 CRYSTAL AVE and #7 MCALLISTER CT

FROM: Mark L'Heureux, Engineering Coordinator

**SUBJECT: Interruption of Water Service: Monday May 13, 2024
9:00AM to 4:00PM.**

This Notice is sent to inform our municipal water customers at the addresses listed above that The Town will be replacing a valve and installing a new fire hydrant as part of the construction for #16 Franklin St. This work will require an interruption in water service which is scheduled for Monday May 13, 2024.

In order to complete this work, water service to your property will be shut down from 9:00AM to 4:00PM.

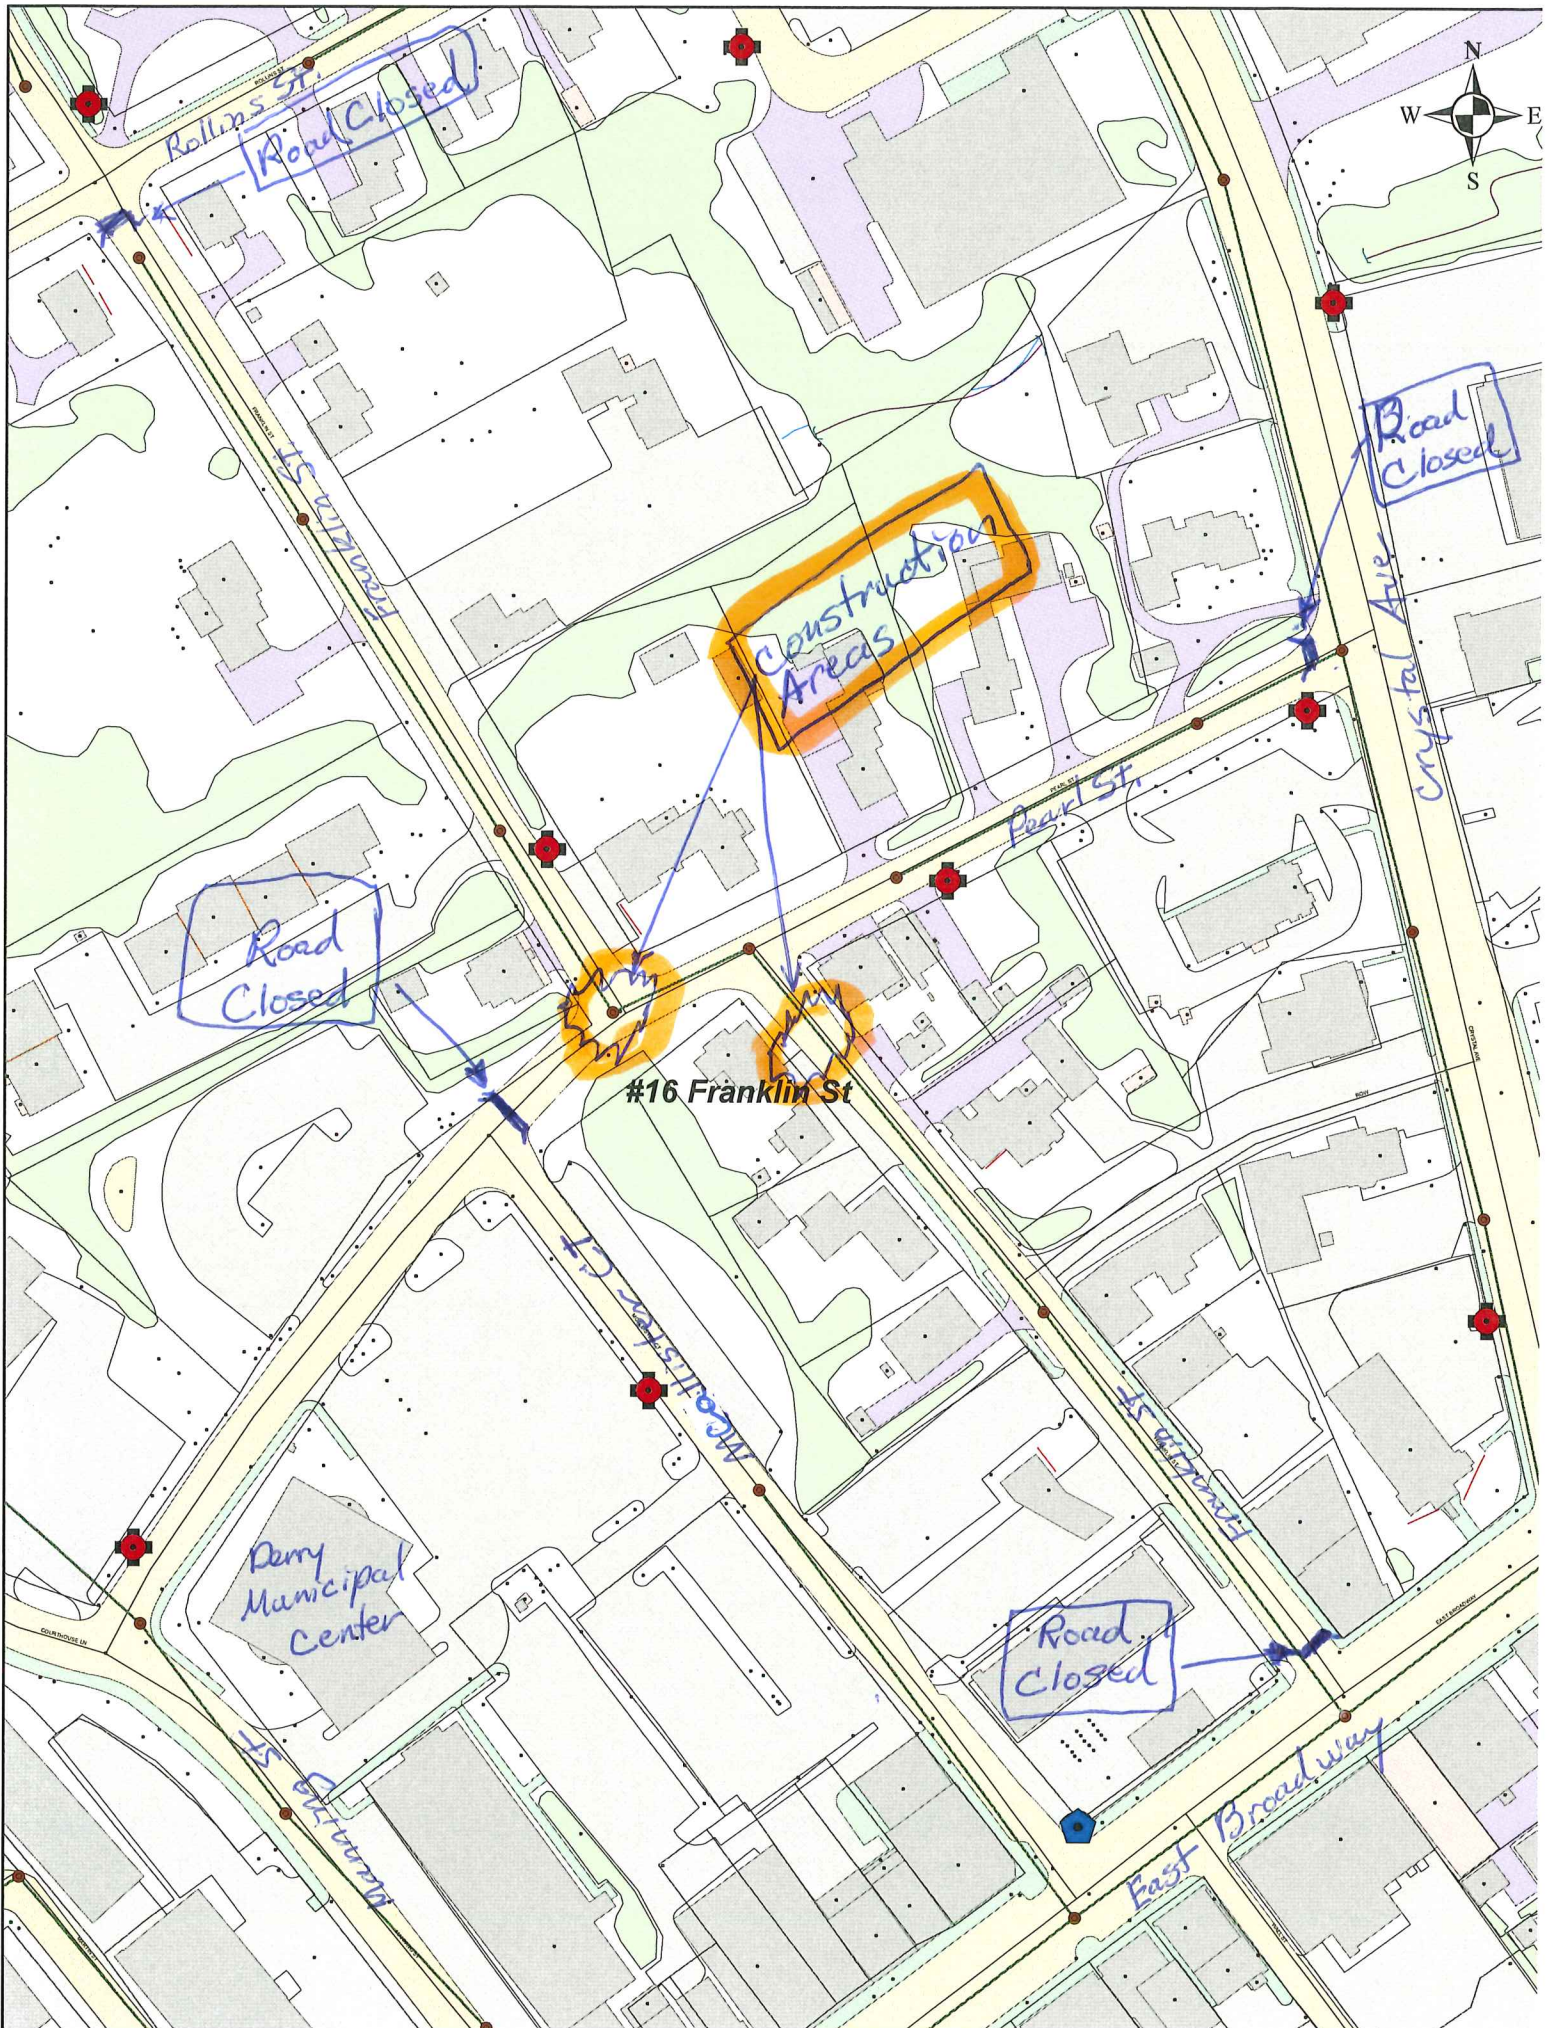

Residents are advised to store water in containers for domestic needs such as consumption, cooking and sanitary needs. Every effort will be made to restore water service as soon as possible, and to minimize any inconveniences.

In addition to this water interruption, sections of **Pearl St and Franklin St shall be closed to through traffic.** SEE MAP ON REVERSE SIDE and note that immediate residents will have access to their homes but must avoid traversing through the individual CONSTRUCTION AREAS marked at the intersections of PEARL ST and FRANKLIN ST.

If you have any questions or concerns, please contact the Department of Public Works office at 432-6144.

Thank you for your cooperation.
