**SUBJECT: INVITATION FOR SEALED BID**

The Town of Derry, NH, is soliciting bids from qualified firms for surface repairs to basketball courts (2), hockey area and tennis courts at Hood Park.

**INSTRUCTIONS TO BIDDERS:**

**Sealed Bids** must be submitted no later than **Friday, June 19, 2020 by 4pm**, to the Town of Derry, Public Works Department, 14 Manning Street, Derry, NH 03038. Bids must be original and are not accepted via email or fax. Due to COVID-19, the Derry Municipal Center is closed to the public. A drop box is located at the main entrance of the Municipal Center (Monday – Friday from 7am to 4pm). The drop box is not available after hours.

Bids must be submitted in the format provided and address the items specified in the bid package.

The Town of Derry may reject any or all the bids on any basis and without disclosure of a reason, as in compliance with all Administrative Regulation #15 governing purchasing. Sealed bids / estimates are required for review and selection for the Hood Park Repairs contract as outlined in the attached detailed specification / bid sheet.

The Town of Derry reserves the right to accept or reject any/and or all bids, to waive any formalities and informalities in the bids received, and to accept any bid, which in its opinion, may be in the best interest of the Town. The Town also reserves the right to ask any potential bidder for a resume / overview of the company's accomplishments, previous/current clients and/or references.

Bidders who require any additional information upon which to base their bid should contact the Parks & Recreation Director, at (603) 432-6136.

The Town of Derry encourages prospective bidders and other interested parties to check the website periodically for addendums and bid results. Due to the volume of inquiries, the Town of Derry will not be responding directly to inquiries from internet-based bid consolidation companies

**Scope of Services**

The Town of Derry, New Hampshire is accepting sealed bids / proposals for repairs to the basketball courts, hockey area and tennis court in accordance with the specifications below.

1. Clean entire surface area with compressed air.
2. Clean and fill structural cracks with concrete fortified with E330 Acrylic Binder.
