**ADDENDUM 1**  
**November 18, 2021**  
**Derry Wastewater Treatment Plant**  
**HVAC Renovations: Part II (BOILER)**

A mandatory pre-bid walk through was conducted Thursday, November 18, 2021, at 10 am at the Derry Wastewater Treatment Plant. In response to inquiries made at the time the following information is hereby incorporated into the project documents for the above referenced bid.

The existing roof of the Derry Wastewater Treatment Plant is believed to have been installed sometime between 2007 and 2009 by the Melanson Company of Bow, NH. There is no known existing warranty. The successful contractor shall be responsible for repairs of any and all roof penetrations.

Thomas Carrier  
Deputy Director of Public Works  
Town of Derry, New Hampshire
