## News For You

We have an ambitious goal to have our operations be carbon neutral by 2030. We're building a clean energy future for our customers and communities while we also reduce our own greenhouse gas emissions. This all stems from our commitment to lead the industry in sustainability - conducting our business with integrity and in a socially responsible manner while working to protect the environment. Check out the advancements we've made in our latest Sustainability Report at [eversource.com/sustainability](http://eversource.com/sustainability).

## IDENTITY PROTECTION

On November 1, 2008, Eversource implemented additional identity protection measures to safeguard our customers' confidential account information. These measures will help us to protect your confidential personal information and ensure only authorized access to your account. For current customers requesting account information or access, Customer Service Representatives will ask several simple questions to verify the caller's identity and their right to access the requested account information. We are committed to providing the excellent customer service you deserve and the timely information you need to manage your energy use.
