

Improve the energy efficiency of your home.

FREE Home Energy Workshop

NHsaves Virtual Button Up Workshop is a 1½ hour presentation about improving the energy efficiency of your home. It covers energy saving tips and NHsaves energy efficiency programs. Learn about saving electricity, insulation and air sealing, energy audit and weatherization programs, rebates on electric and gas appliances, and other incentives from NH's energy utilities. New Hampshire residents that want to use energy wisely and save money will find the information very useful.
