Inquiries/Service Requests

There are a number of ways to contact Eversource:

Visit our web site:	Eversource.com
Business Contact Center:	1-866-554-6025 M-F 8AM to 5PM
Report Power Outages:	1-800-468-0034
Hearing impaired/TDD:	1-800-346-9994
Or write us at:	EVERSOURCE-LARGE POWER PO Box 330 Manchester, NH 03105-0330

If you enclose an inquiry or request with your electric bill payment, please do not write on the payment stub. Instead, use a separate piece of paper and include your name, address, and account number. If, after contacting us, your billing dispute is still unresolved, you may call the New Hampshire Public Utilities Commission at 1-800-852-3793.

Customer Charge

This charge recovers costs associated with making service available to a customer, such as installing and maintaining meters, utility poles, power lines and equipment, as well as meter reading and Eversource's 24-hour customer service center.

KWH Distribution Charge & Distribution Demand Charge

These charges recover costs related to the maintenance and operation of Eversource's distribution system, and Eversource's power restoration and service operations. The KWH charge is based on the amount of kilowatt-hours (KWH) of electricity a customer has used during a billing period. The demand charge is based on the greatest amount of electricity used by a customer in any half-hour period during the billing period expressed in kilowatts (KW) or kilovolt-amperes (KVA).

KWH Transmission Charge & Transmission Demand Charge

These charges recover costs related to the delivery of electricity over the high-voltage or transmission system power lines. The KWH charge is based on the number of kilowatt-hours (KWH) of electricity used during a billing period. The demand charge is based on the greatest amount of electricity used by a customer in any half-hour period during a billing period expressed in kilowatts (KW) or kilovolt-amperes (KVA).

KWH Stranded Cost Recovery Charge & Stranded Cost Recovery Demand Charge

These charges help fund the recovery of Eversource's past investment costs, including expenses incurred through mandated power contracts and other long-term investments and obligations. The KWH charge is based on the amount of kilowatt-hours (KWH) of electricity a customer has used during a billing period. The demand charge is based on the greatest amount of electricity used by a customer in any half-hour period during the billing period expressed in kilowatts (KW) or kilovolt-amperes (KVA).

DATE JUL 30

System Benefits Charge

This charge funds energy efficiency programs for all customers as well as assistance programs for residential customers within certain income guidelines.

Electricity Consumption Tax

This is a state-mandated tax on energy consumption.

Energy Charge

This charge is based on the amount of kilowatt-hours (KWH) of electricity a customer has used during a billing period. It includes a supplier's costs to generate and/or buy power. Customers can choose the supplier from which they purchase their energy.

Meter Readings

Your meter is scheduled to be read each month. This statement shows present and previous meter readings. The difference between readings determines the kilowatt-hours (KWH) used in calculating your bill. When a number appears in the multiplier column, the difference in the meter readings is multiplied by that number to obtain the total kilowatt-hours used.

On Peak

The period of time when the need or demand for electricity on Eversource's system is high, normally during the day, Monday through Friday, excluding holidays.

Off Peak

The period of time when the need or demand for electricity on Eversource's system is low, such as late evenings, weekends and holidays.

Minimum Charge

The minimum amount determined as necessary to warrant expenditures incurred in supplying electrical energy properly to your premises.

Apparatus Rental Charge

The charge for controlling, regulating, and transforming apparatus owned by Eversource but used by a customer and rented from Eversource at a specified percentage of its installed cost.

Late Payment Charge

Charges are billed monthly and payable upon presentation of the bill. Where applicable, a late payment charge is assessed against amounts previously billed but remaining unpaid after the due date printed on the bill.
