The Importance of Utilizing a Delta Dental PPO or a Premier Network Participating Dentist

You'll get the best value from your Plan when you receive your Dental Care from one of Delta Dental's PPO or Premier network Participating Dentists, including:

▲ **No Balance Billing:** Participating Dentists agree not to charge any difference between their fees and Delta Dental's allowed fees. Because Participating Dentists accept Delta Dental's allowed fees for services, you will typically pay less when you visit a Participating Dentist.

▲ **No Claims Paperwork:** Participating Dentists will prepare and submit claim forms for you.

▲ **Direct Payment:** Northeast Delta Dental pays Participating Dentists directly, so you don't have to pay the covered amount up-front and wait for a reimbursement check.

Ask your Dentist if he/she participates with Delta Dental. For a current list of Participating Dentists in your area, visit www.healthtrustnh.org, click on the "Dental" button, then click on the button that says, "Dental Plan Provider Directories;" or log in to your account on HealthTrust's SEP and click on the Delta Dental button.

Claim Processing

Claim Process for Participating Dentists

Your Participating Dentist will submit your claim directly to Northeast Delta Dental. A Participating Dentist will not charge you at the time of treatment for covered services, but may request payment for non-covered services, Deductibles or Co-payments. Northeast Delta Dental will produce an Explanation of Benefits (available through HealthTrust's SEP) detailing what has been processed under your Plan's coverage. You are responsible to pay any outstanding balance directly to the Dentist.

Claim Process for Nonparticipating Dentists

Your Plan provides coverage regardless of your choice of Dentist, participating or not. If you visit a Non-Participating Dentist, you may be required to submit your own claim and pay for services at the time they are provided. Claim forms are available on HealthTrust's website. Payment will be made to you, the Subscriber, unless the state in which the services are rendered requires that assignment of benefits (directing that payment be sent to the Dentist) be honored and Northeast Delta Dental receives written notice of such assignment. Payment for treatment performed by a Non-Participating Dentist will be limited to the lesser of the Dentist's submitted charge or Northeast Delta Dental's allowance for Non-Participating Dentists in the geographic area in which services are provided. It is your responsibility to ensure that full payment is made to the Dentist. Northeast Delta Dental will produce an Explanation of Benefits detailing what has been processed under your Plan's coverage. The EOB, which will indicate the amount you need to pay, will be available by logging into your account on HealthTrust's SEP and clicking on the "Delta Dental" button.

Predetermination of Benefits

HealthTrust and Northeast Delta Dental **strongly** encourage Predetermination of cases involving extensive treatment plans. Although it is not required, Predetermination helps avoid any potential confusion regarding the Plan's payment and your financial obligation to the Dentist.

Coordination of Benefits

When an individual covered under this Plan has additional dental coverage, the Coordination of Benefits provision described in your Dental Plan Description will determine the sequence and extent of payment.
