GRASSHOPPER LIMITED WARRANTY

3 Year Limited Commercial Warranty / 4 Year or 800 Hour Limited Residential Warranty

Model: 200/300/400; 600; 700/900

What This Warranty Covers

The selling dealer warrants, on the terms and conditions in this Limited Warranty, that it will repair, replace or adjust any product or part manufactured by the Grasshopper Company ("Grasshopper") which is a component of a Grasshopper Commercial Turf Equipment product ("turf equipment") and which is defective in material installed or workmanship performed in Grasshopper's factory.

The Period of Coverage and Conditions

This limited **commercial warranty** applies to Grasshopper turf equipment sold in the US or Canada for a period of three (3) years from the date of original purchase for use (ninety (90) days for rental use). **Commercial warranty** applies to agricultural, governmental, commercial, industrial or multiple locations usage. This warranty includes the cost of parts and labor for a period of 2 years and the cost of parts for one additional year. **Residential warranty:** This limited warranty is limited to 4 years or 800 hours (whichever occurs first) for residential usage. Residential usage means use of product around a single residence only. Use at more than one location is considered commercial and the commercial use warranty above would apply. This warranty includes cost of parts and labor. **Replacement parts or repairs** provided through warranty service shall be warranted for only the remainder of the original warranty period.

Warranty Exceptions: Belts and tires are warranted for ninety (90) days against defects in materials or workmanship. Batteries are warranted for fifteen (15) months. Warranty on electric clutches includes cost of parts and labor for a period of two (2) years.

What this Warranty Does Not Cover

Implements/attachments not manufactured by Grasshopper are not covered by this warranty. The manufacturers of such items may provide separate warranties for such components.

The engine is warranted by its manufacturer, not by Dealer. Please refer to the engine manufacturer's warranty statement that is included in the engine manual in the owners packet. Neither Dealer nor Grasshopper is authorized to handle warranty claims on engines. Engine warranty claims should be referred to the nearest authorized service outlet of the engine manufacturer.

Who Gets This Warranty

This warranty extends only to the original purchaser for use of the equipment, unless applicable law provides otherwise. The warranty may not be assigned or transferred without the prior express written consent of manufacturer.

How to Get Service

To be covered by this warranty, the turf equipment, including any defective part, must be returned to an authorized Grasshopper service dealer within the warranty period. The warranty shall extend only to the cost to repair or replace (**as determined by Dealer**) the defective part, including labor. The expense of delivering the turf equipment to the dealer for warranty work and the expense of returning it to the owner after repair or replacement will be paid by the owner. Proof of purchase may be required by the dealer to substantiate any warranty claim. All warranty work must be performed by an authorized Grasshopper service dealer using Grasshopper approved replacement parts.

Limitations of This Warranty

DEALER'S SOLE RESPONSIBILITY UNDER THIS LIMITED WARRANTY IS TO MAKE REPAIRS OR REPLACEMENTS IN ACCORDANCE WITH THE TERMS OF THIS LIMITED WARRANTY. DEALER MAKES NO OTHER EXPRESS WARRANTIES. ANY WARRANTY IMPLIED BY LAW ON ANY PRODUCT OR PART COVERED BY THIS LIMITED WARRANTY IS LIMITED IN DURATION TO THE LENGTH OF THIS LIMITED WARRANTY. NO PERSON, ENTITY, OTHER DEALER, OR DISTRIBUTOR HAS THE AUTHORITY TO ASSUME FOR OR CREATE FOR DEALER ANY OTHER OBLIGATION, WARRANTY, OR LIABILITY IN CONNECTION WITH GRASSHOPPER PRODUCTS. IN NO EVENT SHALL DEALER BE LIABLE FOR LOST PROFITS, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES. SOME STATES OR PROVINCES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS OR THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THESE LIMITATIONS MAY NOT APPLY TO YOU.

Any limitations set forth in this limited warranty do not apply to the extent they are prohibited by applicable law.

Dealer reserves the right to sell turf equipment with changes, improvements or modifications in specifications without thereby being obligated to install or make the same on turf equipment previously sold by Dealer.

Situations in which this Warranty Does Not Apply

This warranty extends only to turf equipment that is operated under normal conditions and properly serviced and maintained. The warranty does NOT cover: (i) normal maintenance services, such as oil change, cleaning, lubrication, or adjustment; (ii) replacement of service items, such as oil, lubricants, spark plugs, belts, rubber hoses, blades, blade sharpening, or other items subject to normal service replacement; (iii) damage or defects arising out of or caused by misuse, neglect, alteration, negligence or accident; (iv) repair or replacement required because of operation or use of the turf equipment which is not in accordance with operating instructions as specified in the operator's manual or other operational instructions provided by Grasshopper; (v) repair or replacement required because of alteration or modification of the turf equipment not performed or authorized by Dealer (damage caused by foam filled or solid filled tires); (vi) repair or replacement necessitated by use of parts, accessories or supplies, including gasoline, oil or lubricants, incompatible with the turf equipment or other than as recommended in the operator's manual or other operational instructions provided by Grasshopper; (vii) repairs or replacements necessitated by installation or use of non-recommended parts or accessories that have adversely affected the operation, performance or durability of the turf equipment; or (viii) damage or defects due to or arising out of repair of turf equipment by any person or persons other than an authorized Grasshopper service dealer or the installation of parts other than genuine Grasshopper parts, Grasshopper-recommended parts or equivalent. There are no other express warranties except for engine and special emission system coverage.

PLEASE NOTE: TO RETAIN YOUR RIGHTS UNDER THIS LIMITED WARRANTY, YOU ARE REQUIRED TO HAVE READ THE OPERATOR'S MANUAL AND TO HAVE COMPLETED, SIGNED AND RETURNED THE ATTACHED WARRANTY REGISTRATION CARD WITHIN TEN (10) DAYS OF PURCHASE OF YOUR TURF EQUIPMENT.

Other Legal Rights

This Warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

LIMITED WARRANTY

Briggs & Stratton Corporation will repair or replace, free of charge, any part(s) of the engine that is defective in material or workmanship or both. Transportation charges on product submitted for repair or replacement under this warranty must be borne by purchaser. This warranty is effective for and is subject to the time periods and conditions stated below. For warranty service, find the nearest Authorized Service Dealer in our dealer locator map at BRIGGSandSTRATTON.COM, or by calling 1-800-233-3723, or as listed in the 'Yellow Pages'.

There is no other expressed warranty. Implied warranties, including those of merchantability and fitness for a particular purpose, are limited to one year from purchase, or to the extent permitted by law. All other implied warranties are excluded. Liability for incidental or consequential damages are excluded to the extent exclusion is permitted by law. Some states or countries do not allow limitations on how long an implied warranty lasts, and some states or countries do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation and exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state and country to country.

STANDARD WARRANTY TERMS * ▲

Brand/Product Type	Consumer Use	Commercial Use
Vanguard™ ■	3 years	3 years
Extended Life Series™; I/C®; Intek™ I/C®; Intek™ Pro; Commercial Turf™ Professional Series™ with Dura-Bore™ Cast Iron Sleeve; 850 Series™ with Dura-Bore™ Cast Iron Sleeve; Snow Series MAX™ with Dura-Bore™ Cast Iron Sleeve All Other Briggs & Stratton Engines Featuring Dura-Bore™ Cast Iron Sleeve	2 years	1 year
All Other Briggs & Stratton Engines	2 years	90 days

* These are our standard warranty terms, but occasionally there may be additional warranty coverage that was not determined at time of publication. For a listing of current warranty terms for your engine, go to BRIGGSandSTRATTON.COM or contact your Authorized Briggs & Stratton Service Dealer.

▲ Home Standby Generator applications: 2 years consumer warranty only. No commercial warranty. This warranty does not apply to engines on equipment used for prime power in place of a utility. **Engines used in competitive racing or on commercial or rental tracks are not warranted.**

■ Vanguard installed on standby generators: 2 years consumer use, no warranty commercial use. Vanguard installed on utility vehicles: 2 years consumer use, 2 years commercial use. Vanguard 3-cylinder liquid cooled: see B&S 3/LC Engine Owner Warranty Policy.

The warranty period begins on the date of purchase by the first retail consumer or commercial end user, and continues for the period of time stated in the table above. "Consumer use" means personal residential household use by a retail consumer. "Commercial use" means all other uses, including use for commercial, income producing or rental purposes. Once an engine has experienced commercial use, it shall thereafter be considered as a commercial use engine for purposes of this warranty.

No warranty registration is necessary to obtain warranty on Briggs & Stratton Products. Save your proof of purchase receipt. If you do not provide proof of the initial purchase date at the time warranty service is requested, the manufacturing date of the product will be used to determine the warranty period.

About Your Warranty

Briggs & Stratton welcomes warranty repair and apologizes to you for being inconvenienced. Any Authorized Service Dealer may perform warranty repairs. Most warranty repairs are handled routinely, but sometimes requests for warranty service may not be appropriate.

If a customer differs with the decision of the Service Dealer, an investigation will be made to determine whether the warranty applies. Ask the Service Dealer to submit all supporting facts to his Distributor or the Factory for review. If the Distributor or the Factory decides that the claim is justified, the customer will be fully reimbursed for those items that are defective. To avoid misunderstanding which might occur between the customer and the Dealer, listed below are some of the causes of engine failure that the warranty does not cover.

Normal wear: Engines, like all mechanical devices, need periodic parts service and replacement to perform well. Warranty will not cover repair when normal use has exhausted the life of a part or an engine. Warranty would not apply if engine damage occurred because of misuse, lack of routine maintenance, shipping, handling, warehousing or improper installation. Similarly, warranty is void if the serial number of the engine has been removed or the engine has been altered or modified.

Improper maintenance: The life of an engine depends upon the conditions under which it operates, and the care it receives. Some applications, such as tillers, pumps and rotary mowers, are very often used in dusty or dirty conditions, which can cause what appears to be premature wear. Such wear, when caused by dirt, dust, spark plug cleaning grit, or other abrasive material that has entered the engine because of improper maintenance, is not covered by warranty.

This warranty covers engine related defective material and/or workmanship only, and not replacement or refund of the equipment to which the engine may be mounted. Nor does the warranty extend to repairs required because of:

- 1 Problems caused by parts that are not original Briggs & Stratton parts.
- 2 Equipment controls or installations that prevent starting, cause unsatisfactory engine performance, or shorten engine life. (Contact equipment manufacturer.)

- 3 Leaking carburetors, clogged fuel pipes, sticking valves, or other damage, caused by using contaminated or stale fuel.
- 4 Parts which are scored or broken because an engine was operated with insufficient or contaminated lubricating oil, or an incorrect grade of lubricating oil (check and refill when necessary, and change at recommended intervals). OIL GARD may not shut down running engine. Engine damage may occur if oil level is not properly maintained.
- 5 Repair or adjustment of associated parts or assemblies such as clutches, transmissions, remote controls, etc., which are not manufactured by Briggs & Stratton.
- 6 Damage or wear to parts caused by dirt, which entered the engine because of improper air cleaner maintenance, re-assembly, or use of a non-original air cleaner element or cartridge. At recommended intervals, clean and/or replace the filter as stated in the Operator's Manual.
- 7 Parts damaged by over-speeding, or overheating caused by grass, debris, or dirt, which plugs or clogs the cooling fins, or flywheel area, or damage caused by operating the engine in a confined area without sufficient ventilation. Clean engine debris at recommended intervals as stated in the Operator's Manual.
- 8 Engine or equipment parts broken by excessive vibration caused by a loose engine mounting, loose cutter blades, unbalanced blades or loose or unbalanced impellers, improper attachment of equipment to engine crankshaft, over-speeding or other abuse in operation.
- 9 A bent or broken crankshaft, caused by striking a solid object with the cutter blade of a rotary lawn mower, or excessive v-belt tightness.
- 10 Routine tune-up or adjustment of the engine.
- 11 Engine or engine component failure, i.e., combustion chamber, valves, valve seats, valve guides, or burned starter motor windings, caused by the use of alternate fuels such as, liquified petroleum, natural gas, altered gasolines, etc.

Warranty service is available only through authorized service dealers by Briggs & Stratton Corporation. Locate your nearest Authorized Service Dealer in our dealer locator map on BRIGGSandSTRATTON.COM or by calling 1-800-233-3723, or as listed in the 'Yellow Pages'.

300 SERIES AIR-COOLED MIDMOUNT™

With this much power, great performance is in the air.

IT'S SO MUCH MOWER™

- Powerful, efficient and economical – these Grasshopper 300 Series mowers are made to run with the big boys. The air-cooled 300 Series models are equipped with a heavy-duty Vanguard Big Block engine, giving you intense mowing power in a surprisingly compact design.
- Durable, design-matched hydrostatic transmissions with CoolFan™ hydro cooling system provide smoother response and less maintenance with 1,000-hour fluid change intervals.
- Only five Access-Eze™ lubrication points cut maintenance time up to 80%.
- A compact wheelbase provides easy transport on trailers and fits easily into shops or garages with limited space.
- Each DuraMax® deck easily converts from wide-pattern side discharge to optional mulching or vacuum collection.
- Special-order rear-discharge decks throw clippings out back for a smooth cut and no windrowing to provide the quality cut you expect from Grasshopper.

Forward speeds up to 10.5 mph – or
up to 6.87 acres per hour – make
quick work of high-capacity mowing.

Model 335 Big Block

- 35 hp, V-twin horizontal crankshaft OHV Vanguard Big Block engine
- Robust G² hydrostatic transmission with 7 micron absolute filter and CoolFan™ hydro cooling system
- 61- or 72-inch DuraMax® decks

Model 329B Big Block

- 29 hp, V-twin horizontal crankshaft OHV Vanguard Big Block engine
- Robust G² hydrostatic transmission with 7 micron absolute filter and CoolFan™ hydro cooling system
- 52-, 61- or 72-inch DuraMax® decks

Standard Features for 300 Series

- Powerful, air-cooled, two-cylinder OHV Vanguard Big Block engine with horizontal crankshaft and pressure lube
- Robust G² transmission with 7 micron absolute filter and CoolFan™ hydro cooling system
- DuraMax® decks with anvil-edged design for exceptional durability
- CoolTemp Cordura® Ultimate Suspension Ride™ (USR™) seat with lumbar support
- ComfortReach™ dual swing-out levers with "no tools" lever adjustment
- Heavy-duty, remote-mounted air filter with replaceable element
- ROPS with adjustable seat belt
- Disc brakes
- Hour meter
- Adjustable cup holder

Options for 300 Series

- Quik-D-Tatch® PowerVac™ Collection Systems
- Down Discharge™ mulching packages
- Dedicated 4X Rear Discharge™ deck
- TrimMaster™ heavy-duty, anti-scalp roller
- Electric height adjustment
- DuraGuard™ bumper
- DuraFlex™ suspension forks
- Halogen work lights
- QuikAjust Tilt™ levers with 9-inch comfort range
- Extended levers for taller operators
- Big Boy wide-seat conversion kit
- Premier suspension seat
- Foldable ROPS with adjustable seat belt
- Bar tread, low-pressure tires
- Edge-EZE™ edger
- Shielded sprayer
- Sunshade canopy (for ROPS)
- Yellow beacon light
- Filter minder

Be more productive with the addition of a PowerVac™ Collection System or other implements. Ask for specifications or visit grasshoppermower.com/implements. Models may be shown with optional equipment.

July 22, 2013

SUBJECT: INVITATION FOR SEALED BID

The Town of Derry, New Hampshire, is currently accepting bids from authorized dealers for the purchase of (1) Exmark LazerZ X-series zero turn mower with an Exmark dump from seat collection system based on the attached specifications.

INSTRUCTIONS TO BIDDERS:

Sealed Bids must be submitted no later than **Friday, August 9, 2013** c/o Public Works Department, Derry Municipal Center – 2nd Floor, 14 Manning Street, Derry, NH 03038.

Bids must be submitted in the format provided and address the items specified in the bid package. Requested delivery and/or pick-up information must be supplied. This may have a bearing on award.

The Town of Derry may reject any or all of the bids on any basis and without disclosure of a reason, as in compliance with Administrative Regulation #15 governing purchasing. Sealed bids / estimates are required for review and selection for the purchase of this equipment.

The Town of Derry reserves the right to accept or reject any/and or all bids, to waive any formalities and informalities in the bids received, and to accept any bid, which in its opinion, may be in the best interest of the Town. The Town also reserves the right to ask any potential bidder for a resume / overview of the company's accomplishments, previous/current clients and/or references.

Bidders who require additional information upon which to base their bid should contact Jack Lahey, Parks Project Coordinator, at 603-234-4505.

Sincerely,

Eric Bodenrader

Parks & Recreation Director,
Town of Derry, New Hampshire

BID SPECIFICATION

Title: *Purchase of Exmark Zero Turn mower with dump from seat bagger collection system*

Specifications:

- Exmark LazerZ X-Series zero turn mower
 - Model Number: LZX801KA606
 - Engine: Kawasaki FX801V
 - Heavy duty canister air filtration system
 - PTO Engagement: MagStop Electromagnetic 200-ft-lbs clutch with spot brake
 - 60" Deck / Full-floating UltraCut Series 6 featuring Triton spindle and standard side discharge for bagging/mulching option
 - Standard foot controlled deck lift
 - Blades: (3) blades at 20.5 inches
 - Blade-Tip Speed at approximately 18,500 fpm
 - Curb Weight: 1212 pounds
 - Length: 83.1 inches
 - Height: 70.5 inches
- Exmark Ultra Vac from Seat Collection System
 - Model Number: LZUVQD11
 - 11 bushel dump capacity

Warranty:

The Bidder shall guarantee and honor all commercial warranties as specified by the Exmark Corporation. This includes a three (3) year standard warranty, two (2) year warranty on the Kawasaki motor.

Delivery / Pick-up Date

Bidders must indicate anticipated delivery date on bid summary sheet. Inquiries regarding this bid can be made by contacting Jack Lahey, Parks Projects Coordinator {603-234-4505}.
