Mr. Perkins called the meeting to order at 7:02 p.m. with the salute to the flag, and notice of fire and handicap exits and that this and all Zoning Board meetings are videotaped.

The Board introduced themselves for the record.

Mr. Virr stated that they did not currently have a full 5 member Board but did have a quorum and could still move forward with tonight's meeting.

Approval of Minutes

Mr. Virr said that there needed to be some changes made to the June 5, 2014 minutes and read the recommended changes for the record.

Mr. Virr motioned to approve the minutes of June 5, 2014 as amended.

Seconded by Mrs. Hampton.

Vote: Unanimous.

Mrs. Hampton, Mr. Burgess, Mr. Virr, Mr. Perkins

Other Business

Mr. Perkins reminded the Board that they are now on their summer schedule and the next meeting will be held on July 17, 2014.

Mr. Perkins said that the court has handed down a decision in the Dumpster depot case or accurate transport. The judge found in favor of the Plaintiff originally. However our Attorney pointed out that the judge misinterpreted the time of an appeal for a planning board decision and recommended that we approve a motion for reconsideration to the court. Mr. Perkins said that because the ZBA are defendants Mr. Virr, Mr. Burgess and Mr. Perkins approved that motion for reconsideration to the court, because we agreed with our attorney as did the plaintiff. Therefore the motion was accepted and the court will go on to consider other points in the case and render a decision in the case at a later time.

Adjourn

Mr. Burgess motioned to adjourn.

Seconded by Mrs. Hampton.

Vote: Unanimous.
